

This architectural small home boasts an elegant wooden grandeur interior that contrasts beautifully with its modern exterior facade. Inside you will find two bedrooms, a foyer, a large entertaining kitchen perfect for hosting. A study nook provides a quiet space for work or reflection, while a separate cosy lounge offers a relaxing space to unwind. A large covered outdoor dining area completes the home, positioned to take advantage of scenic views. Despite its size, this design combines modern style with the warmth and comfort of wood, creating a visually stunning and functional home.
